

Summer KidzKnit with Ms. Lynn

At Rae's Yarn Boutique

This summer kids can knit with Ms. Lynn at Rae's.

Buy a punch card with 4 sessions on it (at the shop) for \$20.

We will expect you for 4 weeks in a row, but if something comes up just let us know - you can come at a later time. Just do **tell Lynn** if you think you will not be coming; it is hard to sit and wait when nobody comes.

If you will miss a session, send Lynn an email at Lynn@ColorJoy.com by midnight Tuesday, or call Rae's shop at 336-9276 at any time.

What are the guidelines?

Children should either have knit before or be **ages 7-17**. It's OK to bring a friend or cousin, too. Lynn's goal is to average 4 children a week, so let us make it a bit of a party!

One punchcard can be used by more than one child, punches are definitely transferable. At the end of the season you can share card punches with your friends, buy one for 4 kids, sell one to a buddy if you will be out of town. What the card does is assure us you are committed to at least 4 sessions. No refunds on unused punches.

Bring as many supplies as you can to keep costs down.

When are the sessions?

Wednesdays, 2:45pm to 4:30pm

June 11 through August (end at Labor Day)
