

Assembly Required! Can you help?

Info—email Lynn@ColorJoy.com or call 482-6656

<http://ColorJoy.com/yarnbomb>

The ColorJoyful Community Yarn bOMBing at MSU now has a big collection of pieces for the installation. I have only one day in the garden to put it all together. This means pre-planning and preparation.

Two local women-owned businesses are my chosen spots for us to put together.

We need to put ties and bells on all of the pennants, and will need to sort and sew together the tree trunk scarves. I also need help installing.

Can you help? You need not be an expert sewer to make a big difference.

Assembly Event #1
